

NOTE:

The NET LETTABLE AREA is shown enclosed by the thick lines.

The area shown is based on survey carried out on 25 October 2019 and 24 June 2020.

The Net Lettable Area has been calculated from an interpretation of the guidelines provided in the Property Council of Australia Method of Measurement (March 1997 revision).

Building details shown on this drawing are for identification purposes only. Additional walls and other building elements may also exist.
